CHARMING OLD-FASHIONED HOTEL | HOTEL EUROPE

A lovely romantic hotel located a few meters away from the lake. Very central location. Cute rooms with *toile de jouy* fabrics, delicious breakfast, nice bar and French cuisine restaurant on the ground floor.

BOUTIQUE HOTEL | HOTEL HELVETIA

Small boutique hotel located in the city center with 14 classic and comfortable bedrooms. Helvetia is also known for its restaurant and great rooftop terrace to be enjoyed in the summer.

TRENDY HOTEL | 25H

Hotel 25 is in the coolest part of Zurich, called "Langstrasse area" (ie. The red district). With a cool bar, restaurant, terrace in the summer and friendly prices (rare for Zurich), this is the perfect spot couples and young families.

CHALET IN THE CITY | OBERE FLUGASSE

A typical Swiss restaurant located in Tiefenbrunnen. Expect a tiny chalet with wooden interiors and warm atmosphere. The veal a la zurichoise in town and röstis are the best in town. And you get to be served twice! You will definitely forget you are actually in the city.

CUCINA DELLA MAMMA | LA BARACCA

One of the best Italians I have had to try outside of Italy with regional recipes. The chefs and staff are all Italians – reservations are actually taken in Italian... Order the *Pappardelle mon amour* and trust me, you won't forget about these! Lovely terrace in the summer.

LAKE VIEW | FISCHER FRITZ

Want to enjoy a nice view on the lake? Head to Fischer Fritz, a camping, restaurant, and beach club (sort of) along the western coast.

HOME-STYLE BRUNCH | KAFI DIHEI

Kafi Dihei is a tiny brunch spot in Kreis 5 with a cute little flowery terrace, great brunch dishes (the omelette is absolutely delicious) and a vintage look.

HOT CHOCOLATE & CAKES | SCHOBER

On a gloomy autumn or winter day this is the perfect place for an afternoon tea, hot chocolate and some delicious cakes... They also have brunch options with *flammenküchen*, bagels, tartines etc. The *apfelstrudel* is fabulous. Warm velvety setting.

APERRO OR FONDUE | FRAU GEROLDS GARTEN

Photo credit: Frau Gerolds

Frau Gerold in the trendy Kreis 4 has two options: the open-air terraces from April to September and the warm hut from October to March. Perfect summer drinks (the *Hugo* is a must) looking at the sunset over Zurich's city center with good music and nibbles.

COOL KIDS LIDO | BADI ENGE

Photo credit: cityguide.com

When the summer comes, *badis* are pretty famous in Zurich. These sorts of beach club along the lake offer sun decks, access to the lake for a swim, restaurants and bars. Badi Enge Frauenbadi is a woman only badi during the day and turns into Barfussbar in the evening.
